

Technical drawing of a mechanical part. The top view shows a rectangular plate with a width of 36, divided into three equal sections of 12 each. The front view shows a vertical slot with a rounded top. A dimension line indicates a depth of 30mm for the rounded top. The bottom view shows a cross-section of the part, which is a rectangular block with a central slot. The text 'getek' is visible in the bottom right corner.

The drawing shows a vertical component with a total height dimensioned as p and a section line labeled (a) . A circular feature labeled 'A' is located on the left side. Two detail views are provided: 'Zie Detail A' at the top left and 'Zie Detail B' at the top right. Detail A shows a cross-section of a circular feature with a central vertical slot. Detail B shows a cross-section of a circular feature with a central vertical slot and a small rectangular feature at the bottom.
